Lots 52 - 53 - 54

GRAND CHAMPION FEMALE

RESERVE GRAND CHAMPION FEMALE

Ribbons will be contributed by the American Shorthorn Association.

CHICAGO, ILLINOIS

**STANDARD GUARANTEE
OF
AMERICAN SHORTHORN
ASSOCIATION**

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off. Where cattle are sold at private treaty the above terms should apply as well as for sale at auction.

All prospective buyers should check health requirements of their states.

As a safeguard to prospective buyers, every animal has successfully passed a clean abortion blood test within 30 days prior to the sale, or will have Certificates of Bangs Calfhood Vaccination, and those that are not from Accredited herds have passed a clean Tuberculin test within the same period. Health certificates will be provided with each lot sold.

WED., DECEMBER 3, 1958

Information for Buyer

LOCATION: Sale will be held in Amphitheatre Sale Ring.

MAIL BIDS: Those unable to be present who desire to take advantage of the buying opportunities in this sale may rest assured that mail or wire bids will be honestly and faithfully executed. Any of the following competent men will be happy to handle buying orders for you.

Representing AMERICAN SHORTHORN ASSOCIATION

Kenneth R. Fulk - J. W. Browitt

Ted Aegerter - Ed Huff

R. G. Heine

Representing THE SHORTHORN WORLD, 16 South Locust St., Aurora, Illinois.

Hal Longley - Merv. Aegerter

Don Longley - Horace Walker

SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this Association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for immediate shipment. Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals arrive in sound and healthy condition.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS WITH THE SALES CLERK.

LIABILITY: Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

TERMS: The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

INSURANCE: Coverage may be secured effectively at the time of sale.

GUARANTEE: All animals sold in this sale will be backed by the Standard Guarantee endorsed by the American Shorthorn Association, which is printed in this catalog.

AUCTIONEERS: J. E. Halsey, Des Moines, Iowa.

C. D. Swaffar, Tulsa, Oklahoma.

HEADQUARTERS: Congress Hotel.

SILVERGLEN MINT - A short, thick, grand headed Junior Yearling bull set on short, heavy boned legs. He has been a member of our show herd standing at the top or near the top of his class. He has been Reserve Junior Champion at many of our top fairs being beat only by his stable mate. His sire, Birmingham Dauntless 2d did a great job for Gloriadale Farms in Ontario and he is now at Ontario's leading breeding unit. His dam, Birmingham Alpha Ramsden 4th is probably our best cow and is one of the very few members of that family to be imported. If you need a powerful herd header, do not miss this top bull.

SCOTSDALE MARSHALL - Of the various Scotsdale bulls that have either topped or been runner up at the Congress Sales, Scotsdale Marshall is the best ever offered. He was Junior Champion and the outstanding bull at the Canadian National Exhibition this year in September. His sire was the Supreme Champion at Perth in 1952. His dam was the top open heifer sold at the Kirkton Dispersal Sale and one of the best heifers ever to be imported. She is by Kirkton Baronet as was the dam of Calrossie Prefect. This will be one of the last top bulls to be sold by Calrossie Prefect with such an outstanding pedigree. It would be difficult to find a better stock bull prospect either here or in Scotland. He is being offered after considerable persuasion and only because we have three stock bulls of similar breeding.

B F GRAND LEADER - Is a bull with a beautiful head and lots of depth and thickness. His sire, Kair Martinet, is producing some excellent cattle. He is the sire of a ten month old steer calf that was Champion Shorthorn in the 1958 Kentucky State Fair. He stood first in Pair of Calves and second in his class at the Kentucky State Fair, the only time shown. His dam is a great brood cow, an own daughter of Edellyn Royal Leader. She was one of the tops in the Wilson Sale.

WED., DECEMBER 3, 1958

POLLED AND PROFITABLE

Yes, he's polled and he's profitable.

He's a Polled Shorthorn bull and it's profitable to breed bulls like him because more and more commercial producers are demanding Polled Shorthorns.

These commercial producers know Polled Shorthorns sire healthy calves — calves that gain faster, bringing a high return on investment. The Polled Shorthorn also dehorns the calves, making them easier to handle, and easier to sell.

Polled Shorthorns are a modern breed . . . with calves that will rapidly convert grass, or grain, into high quality beef . . . giving producers and feeders a faster gaining and a more profitable calf.

Carefully screened and selected individuals are presented in this sale offering to provide sound breeding stock for the establishment or improvement of existing Polled Shorthorn herds. Quality is reflected in each animal, and buyers are given an opportunity in this sale to fill their needs from the finest seed stock available.

That's why there's a growing demand for purebred Polled Shorthorns.

And why it's profitable to breed them.

THE SHORTHORN BULL

*puts more pounds
and more profit
in beef raising*

He puts more profit into beef raising because he sires healthy, early maturing calves . . . calves that gain more weight and gain it faster . . . bringing a higher profit to producers.

He sires calves that have greater weaning weights by 50 to 100 pounds. And his calves have the Shorthorn ability to convert grass and grain into beef rapidly, giving producers a shorter feeding period and lower feed cost . . . on yearlings that scale 100 to 200 pounds heavier.

His calves are healthy, highly resistant to pink-eye, cancer-eye and many of the hereditary diseases. These Shorthorn calves do well in rugged terrain and under varied climatic conditions. The Shorthorn bull is excellent for crossbreeding, too. He "beefs up" the calf crop and improves the gaining ability of each calf.

These are the reasons more and more cattlemen are buying Shorthorn bulls.

They're reasons why it would pay you to do the same.

Put the "doing ability" of the Shorthorn bull to work for you . . . siring healthier, faster growing calves that bring more money at the market.

This sale is your opportunity to put pounds and profit into your beef program. Carefully selected animals are presented in this offering, they represent tops in quality and breeding.

PANEL RUMPLESTILTSKIN	- This extremely rugged, grand headed individual is the first calf by our new sire Louada Principal, purchased for \$6,000 at the 1956 Louada Sale. All Principal's calves, numbering more than twenty are very promising, with lots of bone and scale; dark red in color, and very uniform in type. This calf has been chosen by many judges as one of the very best prospects.

STRATHORE SWEET VIOLET 2D - A beautiful show heifer from our noted Collynie Violet family. She has been right at the top of her class all fall. Her dam has consistently topped her class for three years, twice being Reserve Senior Champion at Ottawa and Senior Champion at Regional. Louada Grand Slam is generally considered the best son of Louada Marshal and from a great daughter of Cruggleton Braemar. We would not part with her had we not a full sister in the breeding herd.

ORANGE BLOSSOM CORONITA 25TH x - Our first prize senior heifer calf and Reserve Junior Champion Female at the 1958 Missouri State Fair. One of the first calves we have by Perfect Diamond. Perfect Priam sired a winning group of three steers at the International for Iowa State College. Mac's Royal Blossom is dark even roan in color and one of the strongest cows in the entire herd. A son of this cow topped one of our sales, going to Creekland Farms at \$2500. She has been a constant producer of good cattle. Pre-tested clean and vaccinated for Bangs. Sells Open.

BF PAULINE 2D - Is a thick well fleshed heifer. Comes from the famous Pauline family
that produced so many good cattle. Her dam was a successful show heifer and is an
excellent brood cow. Her sire, Kair Martinet, is producing some excellent cattle. He
sired the Champion Shorthorn steer, who was only 10 months old when shown, of the 1958
Kentucky State Fair. This heifer was first in her class at the Kentucky State Fair, the
only time shown and was first in Pair of Calves.CHICAGO, ILLINOIS
